

## **CARA 10 Meter Net Preamble**

### ANNOUNCEMENT:

Is the frequency in use before we begin the Calvert Amateur Radio Association 10 Meter Net? This is <YOUR CALL>.

### NET OPENING:

Calling the Calvert Amateur Radio Association 10 Meter Net. This is <YOUR CALL>, my name is <YOUR NAME>, and I am located in <YOUR TOWN>, Maryland. This net meets each Monday evening at 7:30 PM Eastern time on 28.350 MHz USB +/- QRM. This net is an informal round table discussion concerning matters of interest to the members of the Calvert Amateur Radio Association. When checking into the net, please say "this is" and drop your carrier to check on doubling. Then give your call sign, name and location. After taking check-ins, I will open up the net for any announcements, comments, questions or discussions that anyone may have. Again, please be careful not to double with other stations. All amateurs are welcome to join the net. Any checkins for the CARA net, please call now.

### NET CLOSING:

Is there any further business for the net before I close? Hearing nothing, this is <YOUR CALL> closing tonight's session of the Calvert Amateur Radio Association 10 Meter Net. I would like to thank everyone who participated in the net and those who stood by while I ran the net. The Calvert Amateur Radio Association net will return next Monday evening at 7:30 PM local time. This is <YOUR CALL> returning the frequency to general amateur use. 73.
